Want to be a chef?

Submitted by [Careerwise](#) on September 22nd, 2013 –**Category:** [Business](#)

Do you enjoy cooking, have you ever thought of being a chef? In the U.S. there are several schools which you can enroll in. But have you thought of training in Europe or Canada? There are several schools that teach in English. It is always good to get cross training and learn a different culture. Depending on what type of chef you want to be there is a school for it.

Paris- Le Cordon Bleu one of the top schools in the world. The competition to get into the Paris program is fierce.

Quebec- Institut de tourisme et d'hotellerie du Quebec

Montreal-Academie Culinaire

Tuscany Italy -Tuscookany

England- Padstow's Seafood School, teaches what else sea food

England- University of West London
