Every person has their unique way of traveling that is based on their personality. Whether you're a person that loves their quiet time or a someone that enjoys taking on new and adventurous challenges, some cities are perfect for your personality type. We've compiled a list of [places](#) for five different personality types below.

The Foodie

[Tuscany, Italy](#)

They say food nourishes the body and the soul. [Tuscookany](#) offers the foodie a chance to relax on the countryside cities of Tuscany: Bellorcia, Casa Ombuto or Torre del Tartufo while giving guests the opportunity to learn how to cook classic Mediterranean and Italian dishes on-site without ever having to leave the property.
