

6. **Cooking in Tuscany** That's right, you can learn to cook while staying in a villa and enjoying the beauty of Tuscany. The best of both worlds to me. The great thing about this chic retreat is that it happens multiple times of the year. tuscookany.com

7. **Treasures of Turkey** Did you know you could explore Turkey for 12 days including round-trip flights and all meals for only \$2175?!!! That is amazing to me... Which is one of the reasons why I LOVE jetsetter.com. Check it out for other amazing deals.

8. **Visit Spain!** Very similar to the deal above, jetsetter.com offers hotel stay for as low as \$96 a night to stay in luxury in Spain!! What a great place to retreat to.
