Make your honeymoon truly special and incredibly romantic by traveling the Italian countryside and learning to cook for each other delectable Italian dishes using the freshest local ingredients. Italy for ages has been one of the most popular destinations for couples looking for romance; from Venice to Florence, Rome and the Amalfi Coast there are endless places to go and vast amounts of culture to absorb.

One of the things that makes Italy such a popular destination is its incredible food made always from the freshest local ingredients. From Gnocchi to Seafood Pizza, Branzino, Burrata Caprese and Tiramisu there is never a shortage of incredible dining experiences.

Why not bring something back from your honeymoon that you can use as part of your lives together at home, by learning to cook some of these authentic dishes? Tuscany is the perfect location to travel across fields of beautiful vineyards, sample amazing wines and take cooking from local Chateaus, which grow their own fruits and vegetables on premises.
